FROM THE DESK OF FATHER HAGE

This past Thursday, our diocese celebrated the feast day of our very own local saint, Saint Marianne Cope. As a leader in her community, Mother Marianne was instrumental in opening two of the first Catholic Hospitals in Central New York: St. Elizabeth in Utica and St. Joseph's in Syracuse. Recognizing the need for basic health care in a city of immigrants, she and a small group of women defied convention by purchasing a saloon in Syracuse, New York, and transforming it into a hospital to serve the needs of a diverse community. Here they welcomed everyone and provided the same quality of care regardless of race, ethnicity, religion, or economic means. They pioneered rules of patient's rights and cleanliness practices not seen before in the United States. And this was just the beginning. Throughout upstate New York, Mother Marianne and her growing community educated and provided healthcare to children and adults with dignity and compassion for all. I would like to share with you this official prayer to Saint Marianne Cope.

"Lord Jesus, you who gave us your commandment of love of God and neighbor, and identified yourself in a special way with the most needy of your people, hear our prayer. Faithful to your teaching, St. Marianne Cope loved and served her neighbor, especially the most desolate outcast, giving herself generously and heroically for those afflicted by leprosy. She alleviated their physical and spiritual sufferings, thus helping them to accept their afflictions with patience. Her care and concern for others manifested the great love you have for us. Through her merits and intercession, grant us the favor which we confidently ask of you so that the people of God, following the inspiration of her life and apostolate, may practice charity toward all according to your word and example. Amen. Through the intercession of St. Marianne Cope, I ask for the grace of (mention your request)."

Mary Immaculate and St. Joan of Arc, pray for us!

World Day of Prayer for Consecrated Life

World Day for Consecrated Life will be celebrated in the Church on Saturday, February 1, 2020, and in parishes on the weekend of February 1–2, 2020. Please pray for all those who have made commitments in the consecrated life, and be sure to thank them on their special day. May they continue to be inspired by Jesus Christ and respond generously to God's gift of their vocation.

Project Rachel

There is hope after abortion

It's common to grieve a pregnancy loss, including the loss of a child by abortion. It can form a hole in one's heart so deep that sometimes it seems nothing can fill the emptiness. Be assured that there is forgiveness, hope, and healing. Many women and men have participated in diocesan Project Rachel Ministries and returned to a loving relationship with God. If you or someone you know is suffering after abortion, confidential, non-judgmental help is available from Project Rachel Ministry. Visit the "Find Help" map on HopeAfterAbortion.org to find the nearest diocesan ministry. Project Rachel, the U.S. Catholic Church's ministry to those who have been involved in abortion, is a diocesan-based network of specially trained priests, religious, counselors, and laypersons who provide a team response of care for those suffering in the aftermath of abortion. In addition to referring for Sacramental Reconciliation, the ministry provides an integrated network of services, including pastoral counseling, support groups, retreats, and referrals to licensed mental health professionals. It is open to all . . . people of all faiths or no faith.

Sick, Homebound, Hospital Visitations

If you or a loved one is sick, homebound, or in the hospital, please call the parish rectory to alert the Altar Rosary Society that you would like to be visited. Altar Rosary Society has a team of lay Extraordinary Eucharist Ministers who are willing and ready to visit the sick, homebound, and those in the hospital. If you or a loved one is in the hospital, please call the rectory because the hospital can no longer share with the parish that someone who is a parishioner has been admitted. Therefore, the parish relies on you to contact the parish office if you would like a visit. We will not know you are in the hospital unless you call.
