FROM THE DESK OF FATHER HAGE

As we have moved through the pandemic, I have been reflecting on how we might be called to think outside of the box in terms of our parish ministries. We have reached so many people by way of our online outreach during the pandemic that it is honestly staggering. It got me thinking about how we could possibly develop a hybrid model whereby we incorporate not only in person meetings/events, but also continue some kind of meaningful online outreach at the same time. I think a hybrid model could be extremely effective in terms of evangelization to people on the fringes of our community. For some reason, people feel that online platforms are safe entryways for them to give our faith communities a try. Since that is the case, I will be working with our Pastoral Council on ways we can continue to incorporate online outreach with our typical in person meetings and events. I cannot even begin to tell you how much grace has been at work during the shutdown for people who have been on the fringes of our community and are now feeling more committed to their life of faith and are now considering reentering the flock. Brothers and sisters, this is a time of grace! Please help me give a warm welcome to the new faces that we might see in our pews in the coming months as we continue the process of reopening. People are more open to faith than ever during this pandemic. This is the time to make a concerted effort to invite your neighbors to consider giving our faith communities a try. There is no greater gift you can give someone during this time than the gift of Faith. It could honestly save lives. "Lord, to whom shall we go? You have the words of eternal life." Mary Immaculate and St. Joan of Arc, pray for us!

Daily Mass Update!

We are taking walk-ins at all of our daily Masses Monday through Thursday. The typical Tuesday 8am daily Mass at St. Joan's has resumed. All St. Mary's & St. Joan's parishioners are welcome to attend any of our daily Masses on both campuses Monday through Thursday. We will now only be live-streaming the Wednesday daily Mass for the month of July. If you are still feeling uncomfortable with going to a weekend Mass, we would encourage you to attend any one of our daily Masses. You can also join Bishop Lucia for his daily Masses Monday through Friday by visiting this link:

Catholicism 101!

Father Hage will be hosting an intergenerational catechetical outreach every Wednesday night at 7pm on Facebook Live @StMarysStJoans. He will present on a topic for 5-7 minutes and then open himself up to Q & A from participants for 25 minutes. You can ask any questions you like. They can be related to the topic presented or totally unrelated. This is your opportunity to ask a pastor questions that you have always wanted to ask!

What are the Groups that Support the Pastor/Administrator/Parish Life Director in the Care of the Parish and its Ministries?

The Parish Finance Council is mandated for every parish by Canon Law (Canon 537). This council aids the pastor/administrator/parish life director in the administration of parish assets. It is made up of lay members of the parish with expertise in these matters. They work for the good of the parish and its ministry.

The Parish Pastoral Council is mandated by the bishop for each parish in the diocese. This council in conjunction with the pastor/administrator/parish life director, works to foster the pastoral ministry of the parish. They do this by creating a vision and a sense of mission for the whole community.

Our recently elected Pastoral Council members for St. Joan's are Dan Koehl (Trustee), Charles Molloy (Trustee), Chris Doroshenko (Pastoral Council President), Joe Sternburg, May Helmer, Paula Curtis, Jason Tomcho, and Brian Koehl. These members are the official representatives of the St. Joan of Arc faith community.

Our recently elected Pastoral Council members for St. Mary's are Mark Curtis (Trustee), April Taranto (Trustee), David Dudrick (Pastoral Council President), Susanne Hunt, Nancy Roberts, Kevin Delaney, and Barb Albrecht. These members are the official representatives of the St. Mary's faith community.

Hamilton Food Cupboard

The summer food program at the Hamilton Food Cupboard begins the week of June 15. As you know, with students out of school, many families struggle with the increased food need in the home. The Hamilton Food Cupboard runs a summer program, providing the essentials to residents in need. Every year, all the churches contribute to the food cupboard to help meet this need. St. Mary's has been asked to contribute tuna, mayo, and bread, but we are not limited to this contribution. The Food Cupboard is also interested in collecting gently used or new children's books. Due to the circumstances, we are asking people to take their contributions directly to the Food Cupboard, across from the Hamilton Fire department. As always, we are very thankful for your generosity.
