FROM THE DESK OF FATHER HAGE

Happy Mother's Day! I know for my siblings and I this is a very important day, as we are continually blessed by the love of our mother. Motherhood is one of the most powerful roles in the world, as it has the most direct impact on the life of a child. As Catholics, we see motherhood as one of the most convincing expressions of God's tenderness and mercy. When I see a mother holding her child, I think of how God wants to hold me, care for me, and how he always looks at me with eyes full of loving delight. This is why we should pray for all mothers and all who exercise motherly roles because their ability to live out this precious calling will shed grace into the lives of so many who desperately need it. On this Mother's Day, I am also drawn to think of the role of our Blessed Mother, Mary Immaculate. In my own life, Mary has continued to lift me up, encourage me, and keep my eyes fixed on her son, Jesus. Her singular mission is to bring us to her son, and to keep us there. All she wants is for us to get to know her son well. What mother wouldn't want the world to know the goodness of their children? Well, that is exactly what Mary wants to do. She wants the world to know her son and his saving mission. So on this Mother's Day, please join me in prayer for all mothers, but also join me in entrusting our parishes to the care of Mary Immaculate, who wants to keep us close to the heart of her son, Jesus.

Mary Immaculate and Saint Joan of Arc, pray for us!
